Address: Denmark St. Blk 4 Lot 22 Panacan  
Davao City

## Work experience

---

### Data Connect Technologies

February 2020 — Present

Jr. Graphic Designer

I did all the graphic design content for the company eg. social media posts, vector animations and brochures additionally I designed website banners for the company's blog posts and created Wordpress pages for it.

### Traxion.inc

February 2019 — April 2019

Intern - Mobile Developer

Fortunately I've been accepted to an Internship Program outside school's curriculum here in Davao City as an Intern Mobile Developer. Throughout my internship, I worked on an e-commerce app that can detect stores near you which I've used React Native and Django REST to develop the app. Lastly, I was awarded as the top 1 among my colleagues for exemplary performance during the internship.

### Jairosoft.inc

May 2019 — June 2019

OJT - Front End Developer

I mainly work on fixing bugs like responsiveness, sass errors and functionality etc.
