Address: Denmark St. Blk 4 Lot 22 Panacan Davao City

Work experience

Traxion.inc   February 2019 — April 2019

Intern - Mobile Developer

I work on a app that can detect stores near you and offers you what they sell and the store owner scan the product's qr code from your phone then the user gained points to use it for discounts. I used React Native and Django REST to develop the app.

Jairosoft.inc   May 2019 — June 2019

OJT - Front End Developer

I mainly work on fixing bugs like responsiveness, sass errors etc. I also convert UI design layout into html.
